GWWO Names New Marketing Coordinator & New Financial Administrator Three New Employees Also Welcomed

Kyle J. Isfalt and Amanda A. Jelks have been named to new positions, and Ryan D. Jordan, Jansen Moon, and Kaitlin M. Murphy have joined the team at GWWO, Inc./Architects.

Kyle Isfalt, who joined GWWO in 2006 as a graphics specialist, has become the firm's marketing coordinator. In this role, he is responsible for all aspects of proposal, interview, and award submission development, including team selection, proposal writing and coordination, presentation design, content development and coaching, and award submission writing and layout. Kyle holds a Bachelor of Science in Architecture degree from Ball State University and is a member of the Society for Marketing Professional Services.

Amanda Jelks has been named financial administrator. She joined GWWO in 2006 as an administrative assistant and has rapidly increased her contributions and participation in all aspects of office administration and financial department support. In her new role, she is responsible for all transactions related to the daily requirements of the finance department, including billing, accounts payable, and general ledger. Amanda is also currently enrolled in business courses at the Community College of Baltimore County.

Ryan Jordan, LEED AP comes to GWWO's architectural staff with several years experience and a background in residential, institutional, library, and educational projects. He serves on the Lecture Series Committee for the Baltimore Chapter of the American Institute of Architects and has served as a Neighborhood Design Center volunteer. Ryan received a Masters of Architecture degree from the University of Oregon and also holds a Bachelor of Arts in History from the University of Southern California. At GWWO he is currently a member of the design team for a major expansion to Garrett Park Elementary School in Montgomery County, Maryland.

Jansen Moon, a recent graduate of Syracuse University with a Bachelor of Architecture degree, has also joined GWWO's architectural team. During his time at Syracuse he was the recipient of the Founder's Scholarship for Achievement and a Cutler Study Abroad Scholarship, among other honors. Jansen is currently a member of the design team for the new Harriet Tubman Underground Railroad State Park and Interpretive Center to be constructed in Church Creek, Maryland.

Kaitlin Murphy has joined GWWO as Office Administrator and Marketing Assistant. A recent graduate of Loyola University Maryland with a Bachelor of Arts in Communication, Kaitlin also brings experience working as an event planner and public relations assistant to GWWO. In her new role, she provides critical support to all aspects of the firm's office operations, marketing, public relations, and business development activities.

GWWO is a full service architectural firm that specializes in the planning and design of cultural and educational facilities, with emphasis on quality design that is both evocative and inspirational. Current projects include a new Visitor Center for Fort McHenry National Monument & Historic Shrine in Baltimore, MD; the new West Village Commons Building at Towson University in Towson, MD; planning for the renovation and expansion of the Children's Museum & Theatre of Maine in Portland, ME; and the design of renovations to The Brafferton at the College of William and Mary in Williamsburg, VA.
