

GWWO Seeks Graphics Specialist

GWWO Architects is seeking a graphics specialist to assist with firm architectural visualization, graphic design, and marketing efforts. Applicants should have excellent graphic design skills with a primary focus on 3D creation and visualization. We are looking for an enthusiastic individual with the ability to visually articulate conceptual ideas with architectural renderings. Candidates must have comprehensive design skills, excellent interpersonal abilities, strong organizational capabilities, and enjoy working in a team-oriented environment. The position requires extensive knowledge of 3D modeling, post processing, graphic design, and layout.

The ideal candidate will meet the following qualifications:

- 0-3 years professional experience in an architectural design office
- Bachelor's Degree
- Excellent modeling and rendering skills
- Highly skilled in Sketchup, Adobe Creative Suite, Lumion
- Excellent post production skills
- Digital fabrication, video editing, and other media experience is a plus
- Experience with layout and the design of promotional materials
- Strong creative skills and technical background
- Self-motivated, energetic, and detail oriented
- Ability to work in an efficient and organized manner to meet challenging and sometimes concurrent deadlines while maintaining the highest quality standards

Please send cover letter, resume, and portfolio (maximum 50 MB) to careers@gwwoinc.com.

In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification form upon hire.

About GWWO:
