- Bachelor's degree from a CIDA accredited program in interior design or equivalent
- Ability to work well within a team structure to envision and develop interior design strategies based on the core story/concept of the project
- Superior interpersonal, verbal, visual, and written communication skills
- Excellent time management and organizational skills
- Quality-minded and self-motivated
- Proficiency in building and ADA codes
- Knowledge of interior construction documents including floor plans, finish schedules, details, furniture plans, and related specifications
- Fluency with business office software (MS Word, Excel, etc.)
- Physical requirements: Visual review of documents, typing, traversing construction sites on foot, and driving

### STRONGLY PREFERRED:

- NCIDQ certified (or eligible/pursuing)
- Proficiency in Revit Architecture and Sketchup
- Experience with cultural and/or educational projects
- LEED project experience
