The position requires extensive knowledge of 3D modeling, post processing, graphic design, and layout.

The ideal candidate will meet the following qualifications:

- 0-5 years professional experience in an architectural design office
- Bachelor's Degree
- Excellent modeling and rendering skills
- Highly skilled in Sketchup, Adobe Creative Suite, and Lumion
- Excellent post production skills
- Digital fabrication, video editing, and other media experience is a plus
- Experience with layout and the design of promotional materials
- Strong creative skills and technical background
- Self-motivated, energetic, and detail oriented
- Ability to work in an efficient and organized manner to meet challenging and sometimes concurrent deadlines while maintaining the highest quality standards
