PROJECT ARCHITECT
GWWO Architects is seeking Project Architects with 3-6 years of experience.

About GWWO:

GWWO specializes in the design of cultural and educational projects with emphasis on responsible design that is inspirational, evocative, and progressive. The firm's design excellence has been recognized with over 150 local, state, and national awards, including the 2023, 2021, and 2020 AIA Maryland Public Buildings of the Year. Our recent acheivements include Honorable Mention in the Architect's Newspaper's Best of Practice Awards for Large Firm - Northeast; ranking by ARCHITECT Magazine as a top firm in sustainability; as well as dozens of Best Places to Work awards. We currently employ a team of 70 and recently moved to new offices in McHenry Row in Baltimore's Locust Point neighborhood. GWWO is an Equal Opportunity Employer, including Disability/Vets.

Benefits currently offered by GWWO include a 401(k) plan; profit sharing plan; medical, dental, and vision insurance; pre-tax medical and child-care reimbursement plans; paid professional organization memberships and professional development opportunities; in-house educational seminars; free parking; generous vacation and absence policy; and thirteen paid holidays (including a week off between Christmas and New Year's).

Essential/Required Qualifications:

- 3-6 years of experience in the industry post-graduation
- Proficiency in Revit Architecture
- Creativity and experience with high-quality design
- Understanding of construction documents, including technical specifications and document coordination
- Strong building technology and problem-solving skills
- Familiarity with building codes
- Ability to work well within a team structure
- Superior verbal and written communication skills
- Excellent time management and organizational skills
- Quality-minded and self-motivated
- Fluency with Office 365 software
- Physical requirements: Visual review of documents, typing, traversing construction sites on foot

Strongly Preferred Qualifications:

- Strong design sense and demonstrated design abilities
- Experience with cultural and/or educational projects
- LEED project experience
- Proficiency in Sketchup Software

Application: Please click here to submit your resume and portfolio.

Selected candidates will work in GWWO's Baltimore office. In compliance with federal law, all persons hired will be required to verify identity and eligibility to work in the United States and to complete the required employment eligibility verification form upon hire.
